Re: *Homaidan v. Navient Solutions, LLC et al.*, No. 17-1085-ESS

Dear Judge Stong:

The parties have agreed to schedule the argument with regard to the class certification motion in this action on March 24, 2020 at 2:30 p.m. Defendants will file their answering papers by February 21, 2020 and Plaintiff will file her reply on March 18, 2020.

We had previously written to you December 19, 2019, advising you that we wish to have the preliminary injunction motion heard on February 18, 2020, Defendants have agreed to brief both the preliminary injunction motion and the motion for summary judgment at the same time, given the close relationship between the issues raised on the preliminary injunction relating to likelihood of success on the merits and the issues raised in the summary judgment motion. The parties are, therefore, prepared to argue both the preliminary injunction motion and the summary judgment motion on February 18, 2020 if that is acceptable to the Court.

Respectfully submitted,
